1. Event Title: **Workshop on Networking Basics and Campus Network Design**
2. When: *09~10 December, 2022*
3. Where: *Distance Learning Theater (DLT), Khulna University of Engineering and Technology (KUET), Khulna, Bangladesh*
4. Organizer: **Department of Computer Science and Information Technology (CSIT), PSTU**
5. Detailed information about the event

The Department of Computer Science and Information Technology, Patuakhali Science and Technology University is implementing the Asi@Connect-supported project titled "Strengthen the Asi@Connect Female Network Engineer (SAFE): Capacity Development Program for NREN Tech-Girl and Future IT-Girl (Phase-2)". Among several activities under the SAFE project, four local workshops titled: **Workshop on Networking Basics and Campus Network Design (WNBCND)** will be arranged in four divisions for female participants. The **fourth** workshop **(WNBCND-4)** will be held on *09~10 December, 2022* in the *DLT, KUET, Khulna, Bangladesh* organized by the Department of CSIT, PSTU.

This WNBCND-4 is designed for female undergraduate students/ female graduates of the *greater Khulna division of Bangladesh* who are already participated in our previous webinars courses and/or seminars activities under the Asi@Connect supported SAFE (Phase-2) project and going to enter IT career. This workshop will be held in the blended mode so that interested local and foreign participants can join virtually. This workshop focus to enhance their previously gathered knowledge through hands-on experience. The participants will build consciousness regarding the current scope, and opportunities of females in the IT profession. It will contribute to skill enhancement, collaboration enhancement, profession selection, and female empowerment. The web-link for the WNBCND-4 event is https://safe.cse.pstu.ac.bd/event/event-details/40.
